Thank you to everyone who purchased an Easter lily.  
We have raised over \$350 for the Ark Project!

*Love God. Love People. Change the World.*

The Easter Lily is bursting with symbolism. Known to some as the “white-robed apostles of hope,” white lilies are believed to represent the purity and innocence of Christ. The white color signifies peace, hope, and purity. The trumpet shape of the Easter lily reflects the image of a trumpet sounding the message that Jesus had risen.

The fragrant flower emerges from a bulb planted in a ground, which acts as a symbol of the resurrection and new life, just as Jesus emerged from the tomb after his brutal death. The Easter lilies act as a reminder to celebrate this joyful season of renewal and rebirth.

Inside is a list of all those we would like to remember and honor on this blessed Easter day. May everyone find the renewal of hope, love, and the spirit of God.
